Basketball players can draw too?

Smile for the camera Sahdee.

Lianne Summers, album coming soon.

Getting that work done.

Don't blow nothing up.

Stylish but getting my work done.

So that's how you do it.

I'm almost finished.

This is that good ol' class picture.

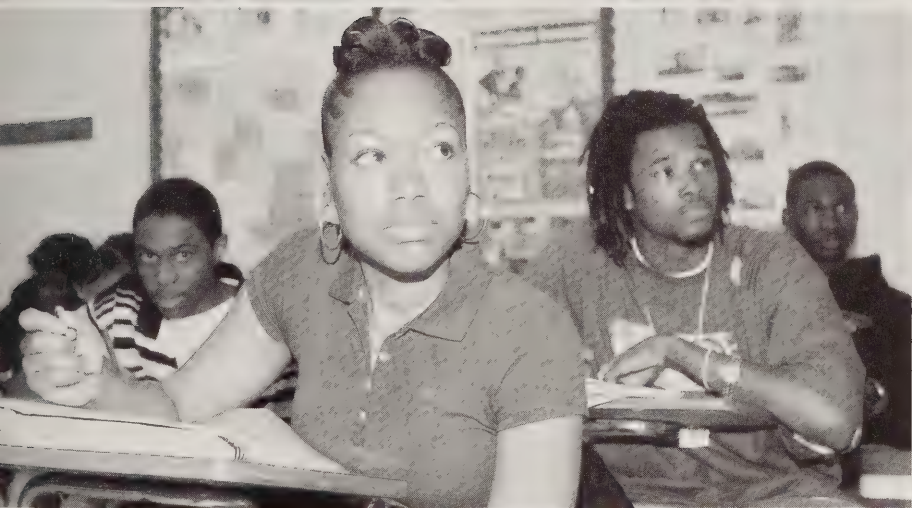

Do you know what u doing?

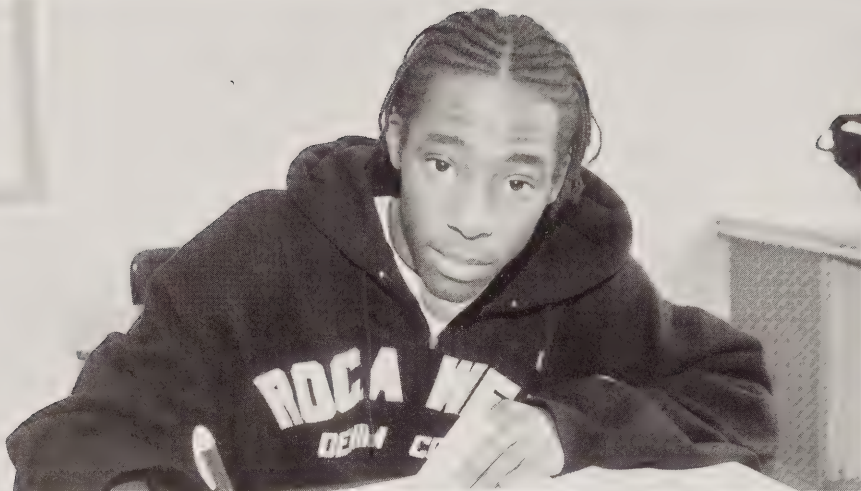

Chillin, looking fly.

Looking purrty in the halls.

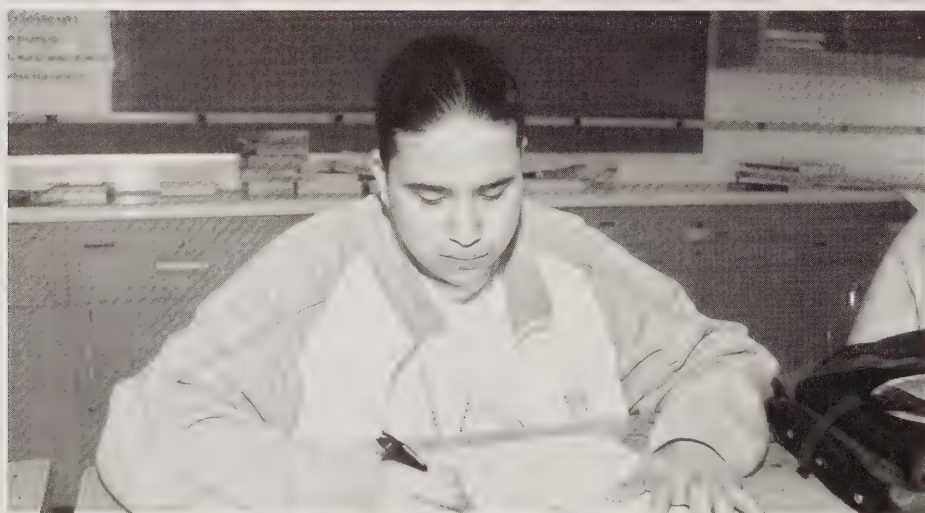

You better write the notes down.

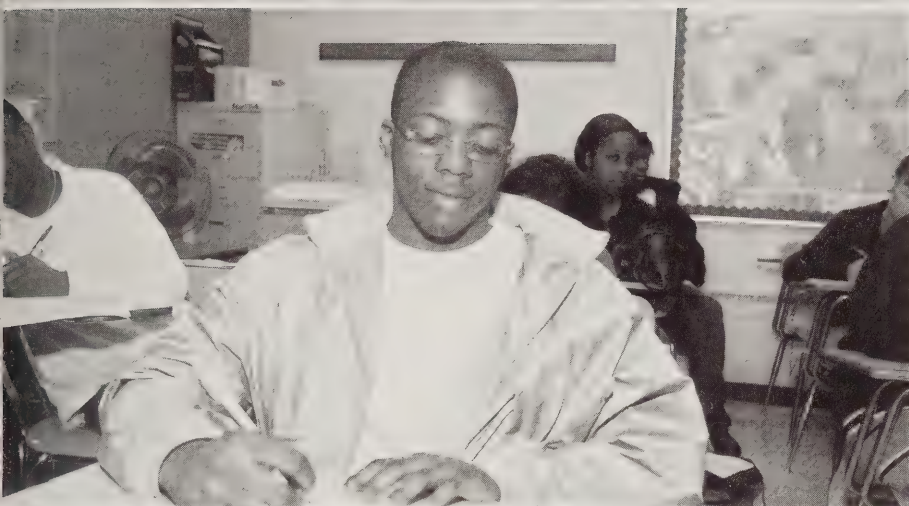

Juices, Pop-tarts, Fruit snacks.

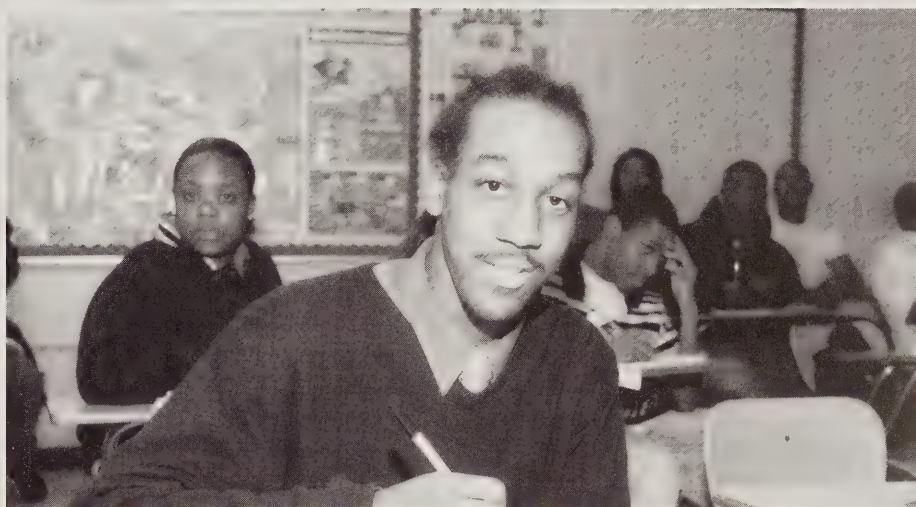

The next Stevie Wonder.

Picasso in the building.

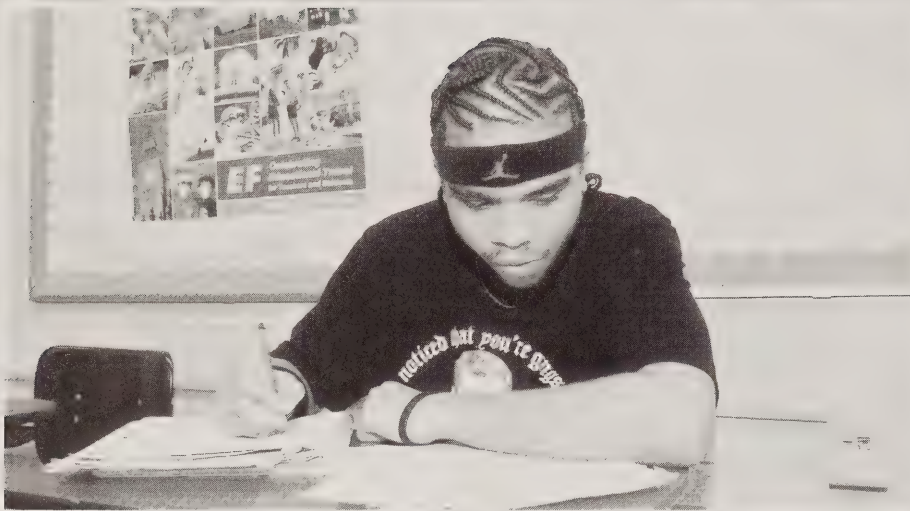

I wonder what's on the lunch menu today.

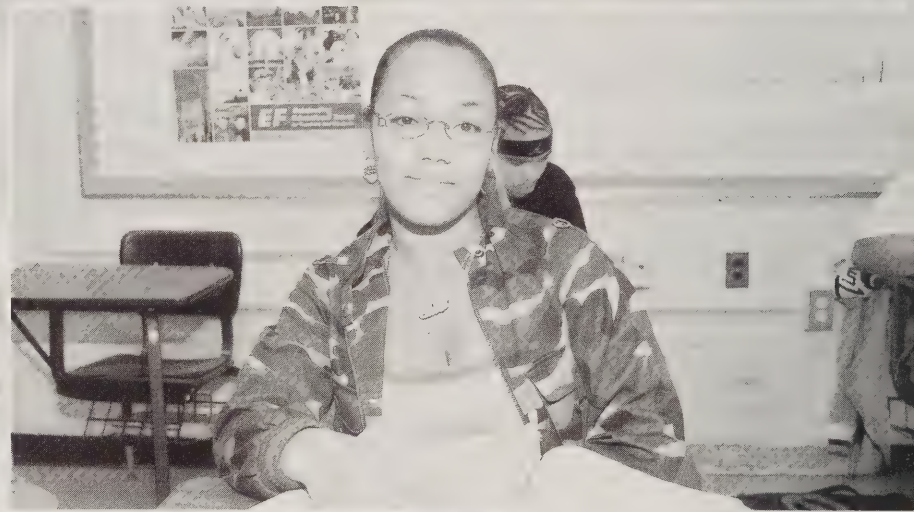

So much work so little time.

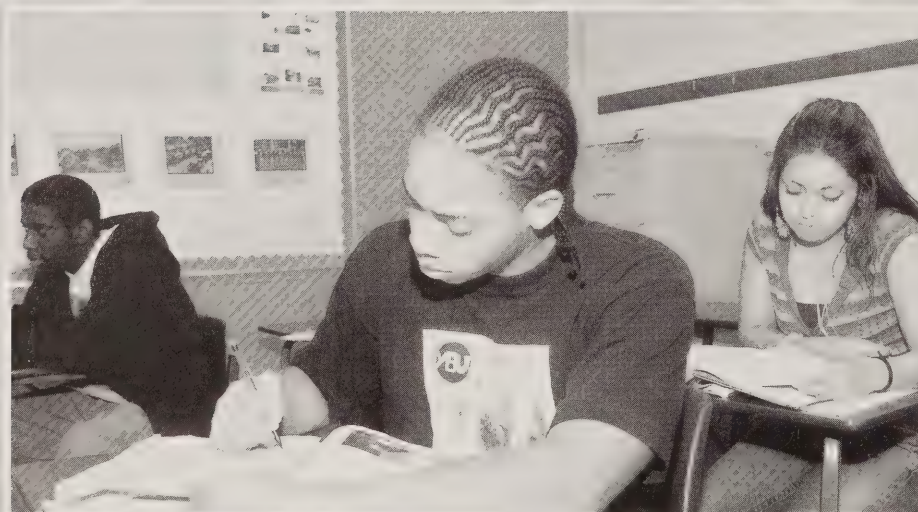

So that's the answer.

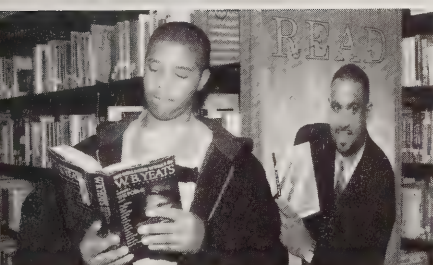

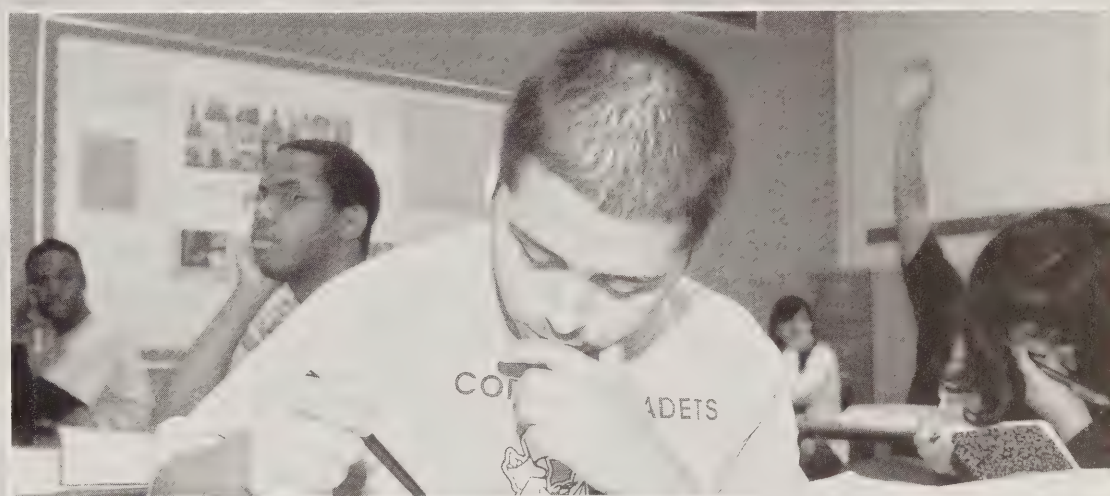

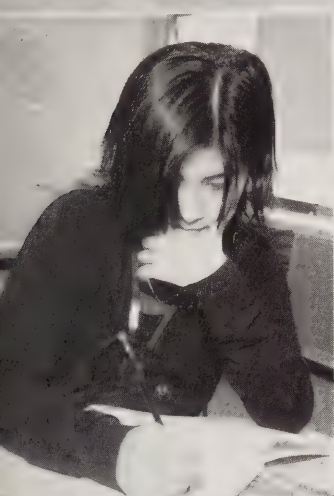

I should have studied last night.

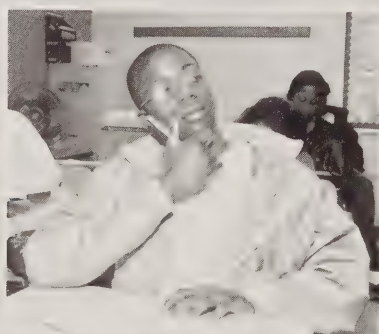

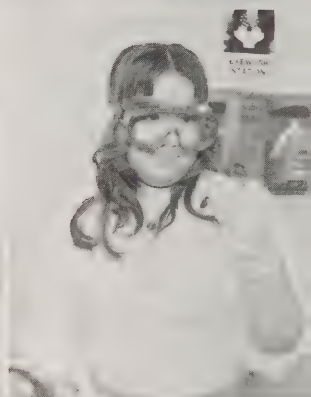

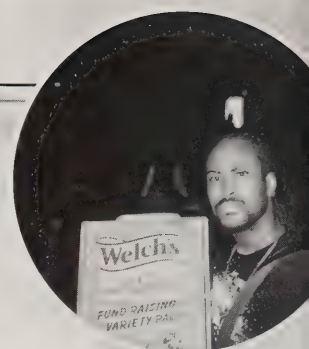

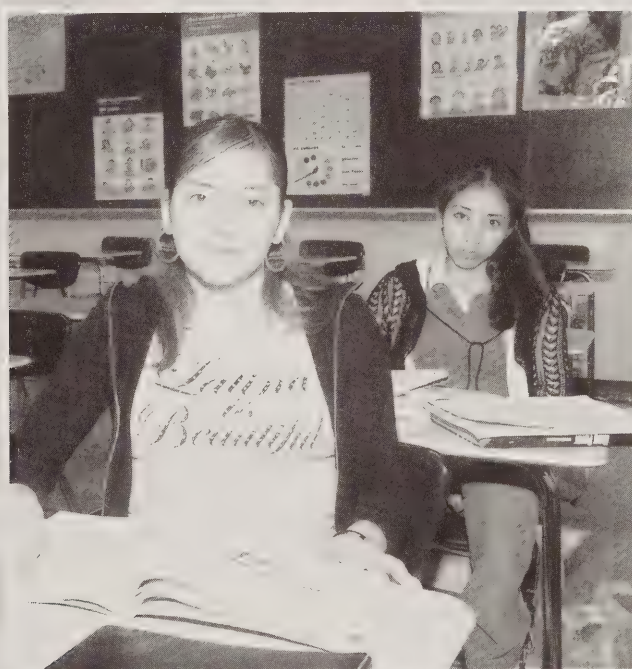

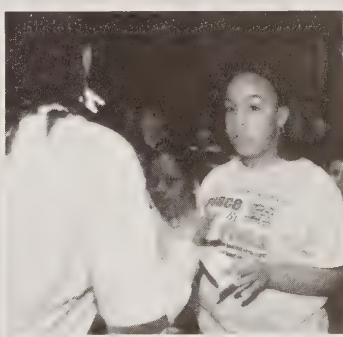

Are you serious?

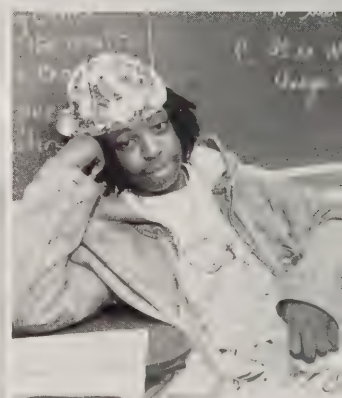

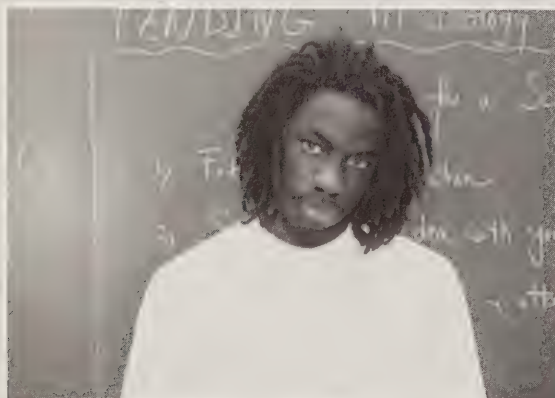

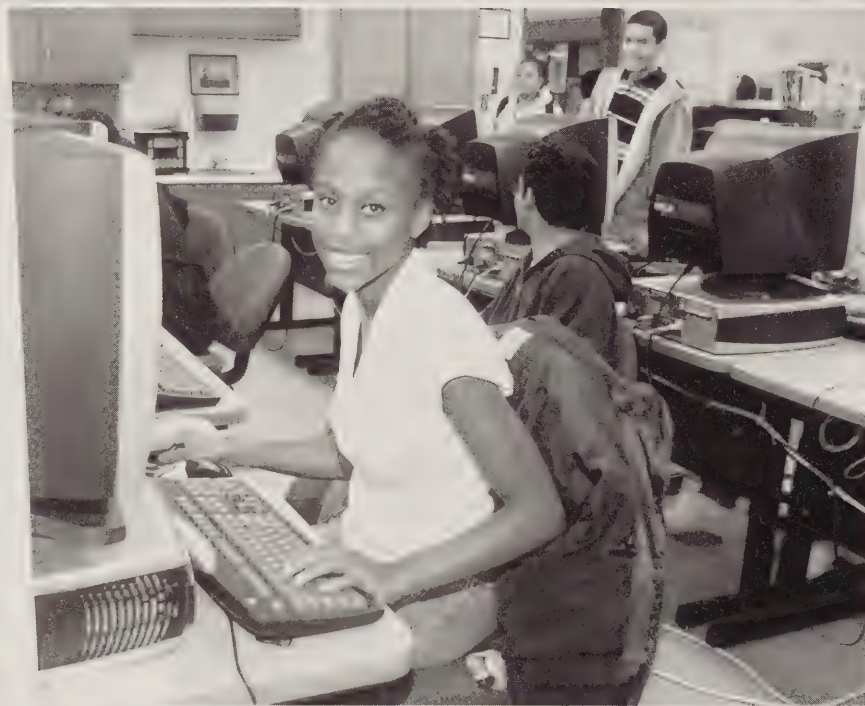

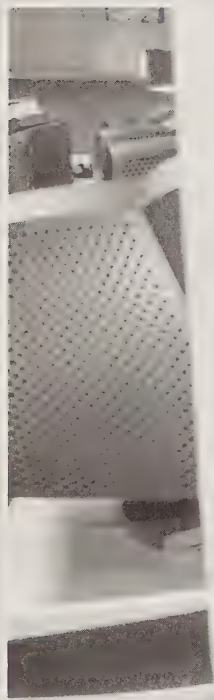

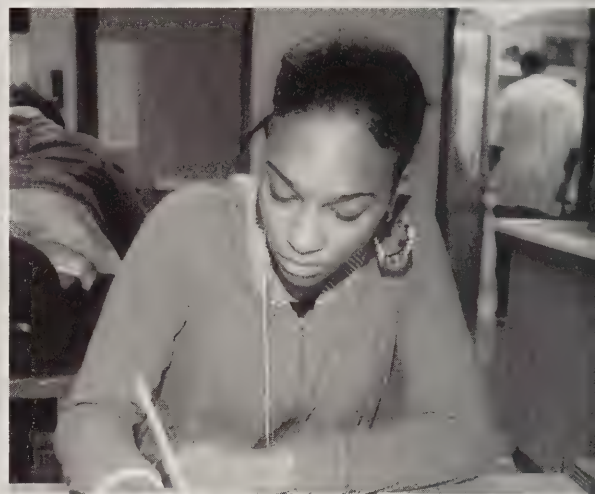

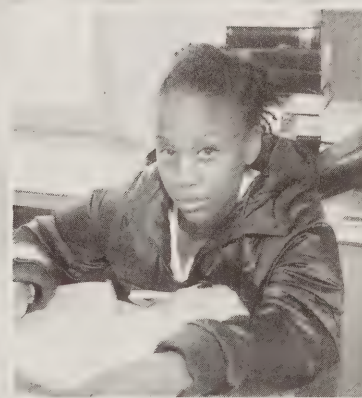

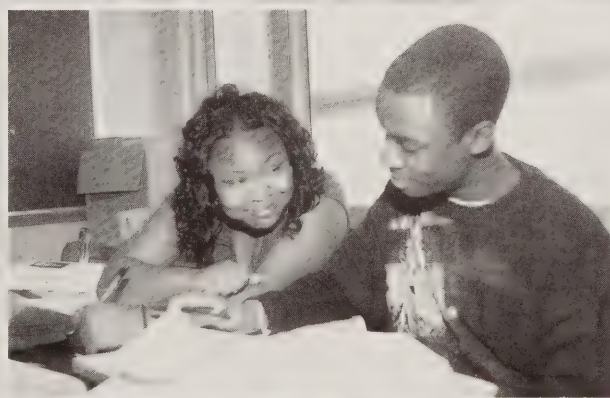

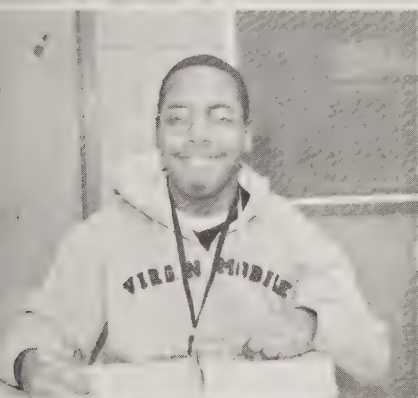

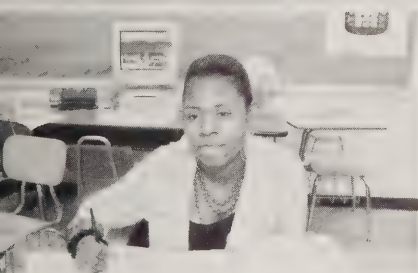

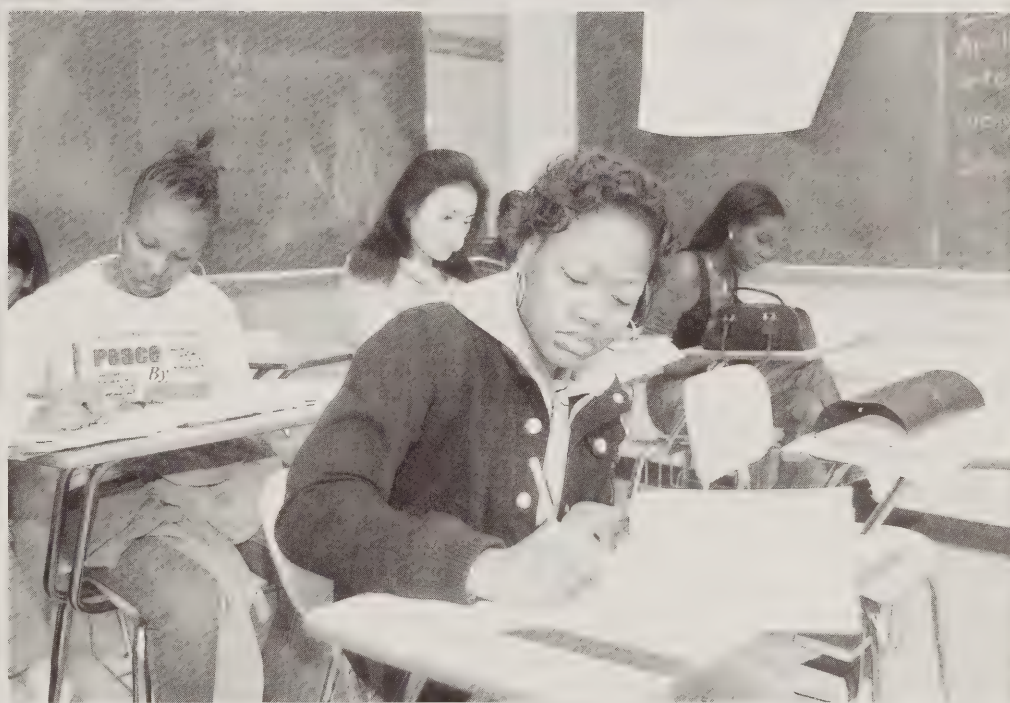

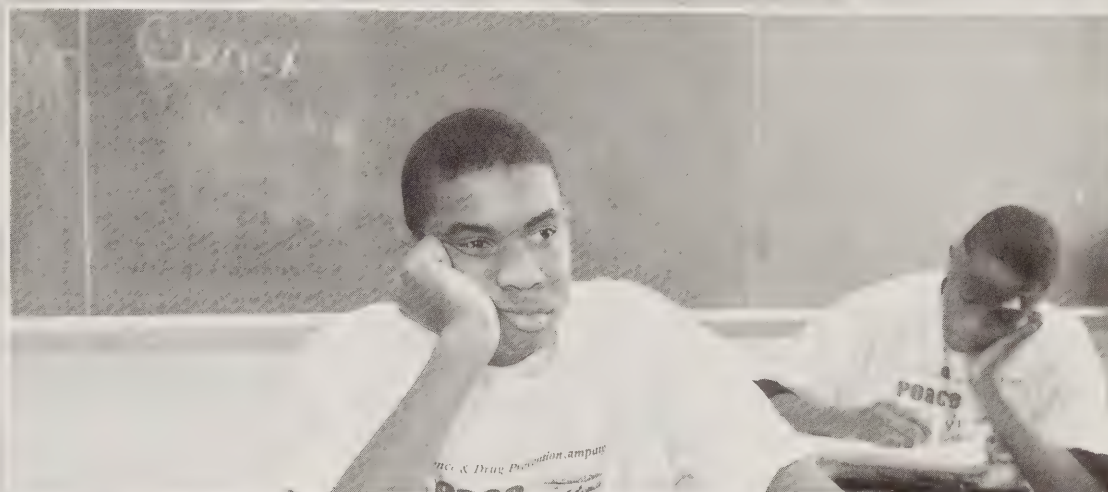

What did he say again?

Cassandra,

There is nothing too hard for God to do. Never give up on God, I believe you can do it. Always walk with your head held high because you can make it through the storm. This is your destiny. You can do all things through Christ who will strengthen you. Without God you can do nothing. Always remember the Church of the Living God, Bishop Wyatt, Raston Wyatt and

the church's family. Behold I am the Lord, the God of all flesh, is there anything too hard for me.

Love,
Your family

Jenifer,

Amada hija se abre un a puerta al triunfo apro ye chalo. Te desea mos lo major. Lucha y triufaras te quieren tus padres.

Tarik,

Tarik was named after a Muslim General who conquered Spain. Tarik's parents, Mark and Sharlene Presley knew their baby boy would grow up to do Big things. Tarik is big brother to siblings Kayla (6) and Quadre (4), both riding on his heels of achievements. His mother calls Tarik her hero, because he actually saved her life. While in kindergarten, Tarik's

mom became ill and he called 911. Help arrived and his mom was rushed to the hospital where she was operated on and since recovered.

Love,
Daddy, Mommy, Kayla and Quadre

With love
Mom.

Rasheed,

Your father and I have watched you grown to be a very fine young man. We love you and also we are very proud of you!

Class of 2007,

It is with great pleasure and with immense sadness that we welcome you to the world as young adults! We have had the pleasure of developing relationships with so many of you, proving that you are responsible, intelligent, caring and loving individuals coming from this wonderful community of Plainfield High School!

You can change the world!! Some of you have changed our school, and made it a safer more enjoyable place to be. Keep making changes, and make a difference wherever you go. Having character, personality, intelligence is what we need to make our community and world a better place. Don't let anyone tell you that you don't have this.

I have learned so much from all of you after being your advisor for four years. You have taught me patience (you guys always want what you want when you want it), perseverance, trustworthiness and love.

Never underestimate what you have to offer others. You all are brilliant, beautiful, young people. Stay strong and dedicated to your goals.

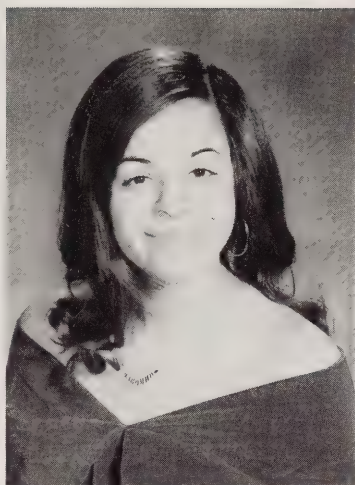

Sincerely,
